9:59 PM **me**: hey, sorry I haven't had the columns in, I'm just totally swamped trying to finish this book and all this other stuff, will have one in next week and should be considerably less busy after that
10:00 PM **BushwickBK.com**: ok cool

5 minutes

10:06 PM **me**: also, the editor/publisher of scallywag and vagabond just moved in with me
it's this web outlet, sort of cultural criticism, that I used to write for
they do tons of content and cover all the hoity-toity events
10:07 PM I'll tell you more later, but at any rate you two might want to meet
BushwickBK.com: oh yeah, I'd be interested in more of that kind of content
10:08 PM if he/she has ideas
me: perhaps you could crosspost or otherwise connect to increase hits
10:09 PM he used to be a broker, started the site year ago and gets 80,000 uniques a month, much less just six months ago
gay Australian fellow who knows tons of wealthy and famous people
10:11 PM **BushwickBK.com**: sounds fun all around
10:12 PM **me**: yeah, it's going to be nifty insomuch as that, although he has office space, he'll partly be running the site out of here
so we'll have all kinds of shit going on
10:13 PM **BushwickBK.com**: that's fun, lots of stmulation
10:14 PM **me**: you should come by and talk to us sometime later this week
10:17 PM **BushwickBK.com**: yeah maybe friday
